

5TH GRADE SCIENCE

U5.0:
SHADOWS

U5.1:
ECOSYSTEMS

U5.2:
CHEMISTRY OF TASTE

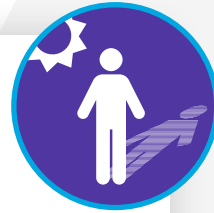

U5.3:
STARS

U5.4:
FRESH WATER

U5.0: SHADOWS

What can we predict about a student's shadow with 100% certainty?

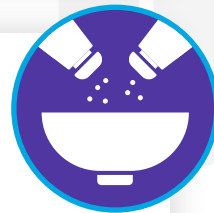

U5.1: ECOSYSTEMS

Why do some animals need the land unchanged, and some animals change the land?

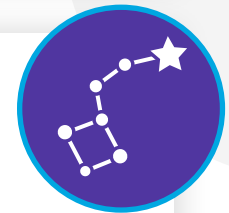

U5.2: CHEMISTRY OF TASTE

How can we create new tastes?

U5.3: STARS

How could we travel 1,000 miles in the same direction without a compass, map or phone?

U5.4: FRESH WATER

How can we help our community always have clean and healthy water?
